March 2009

Please support the Long Valley Soccer Association.

Our program in the fall is an outstanding success, fielding over **100 teams with more than 1300 children** ranging from Kindergarten through High School. The generous funds donated by groups like yours enabled the association to not only maintain a safe, well-equipped soccer league, but specifically to purchase equipment (goal posts, nets, etc.) for the soccer fields located throughout Long Valley.

We are presently beginning our sponsorship drive for the Fall 2009 season. We would greatly appreciate your support this year. Your sponsorship will provide excellent advertising as your company name appears in bold letters on the back of every team member's soccer jersey. In addition, we offer a beautiful plaque featuring a team picture free of charge with every sponsorship. Please be aware that your sponsorship dollars will not only contribute to the athletic development of over 1300 youth soccer players in Long Valley, but will play a role in enhancing our youth referee and coaching training programs. In addition, a portion of your sponsorship will be used to improve the fields in town.

The cost of a team sponsorship this year remains at the low price of \$150. Please make your check out to "LONG VALLEY SOCCER ASSOCIATION".

This year all LVSA Fall 2009 registrations will be handled *in-person* and we have a sponsorship table during registrations. Please check our web site for more details as to the registration dates and locations. Our web site also includes a Summer Camp page. If your organization runs a summer camp and you would like a link from our site to yours please contact me. I would need a brief description of the camp, (no more than 2 lines) and the link address.

Please consider this worthwhile contribution. I look forward to your sponsorship in 2009. Please remit your registration early as last year there were a few divisions that filled up and divisions are filled on a first come basis.
